

GENERAL INSTRUCTIONS:

You will have 90 minutes for this test. Work rapidly but carefully. Do not spend too much time on any one question. If you have time after you have finished the test, go back to the questions you have left unanswered. The three parts of this test are English Usage, Sentence Correction, and Reading Comprehension. When you have finished one part, go right on to the next part without stopping until you reach the end of the test. Read the instructions carefully since your task will NOT be the same for each section. Please read the sample problem(s) at the beginning of each section thoughtfully. In order to get the most accurate assessment using this practice test, you should try to duplicate the actual testing situation as closely as possible. When taking this test, you should not use any additional materials, such as dictionaries, or look up the answers to the questions. You should only allow yourself 90 minutes to take this test and should take the entire test in one sitting. If possible, take the test in a quiet room where you will not be interrupted. When you have completed the test, you should score your test using the answer key and scoring instructions provided on the last page.
